1500 BARRELED ACTION

CELEBRATING OVER 100 YEARS OF HISTORY AND PRECISION ENGINEERING

HOWA 1500 BARRELED ACTION

Howa 1500 Barreled Actions are the perfect platform for a quality precision rifle build, at an affordable cost. Every Howa Barreled Action, from the firing pin to the barrel is perfectly designed; quality machined, fitted with exacting tolerances and all with superior hammer forged pre-hardened steel.

Howa features a machined receiver and forged bolt. The bolt features an integral bolt handle and pressure vent holes and the reliable M-16 style extractor/ejector. Our factory barrels are cold hammer forged steel and are chambered symmetrically at the center of the axis with headspace set to stringent and exacting specs. Bolt faces are true and square to the chamber. All Howa Barreled Actions are equipped with outstanding technical features and innovations. All Howa's have a 3-position safety which allows for the action to be locked down as well as unloaded while safe.
